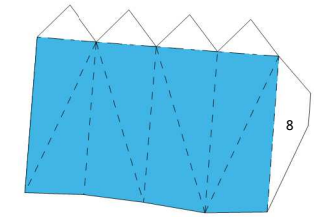
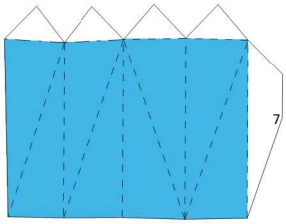
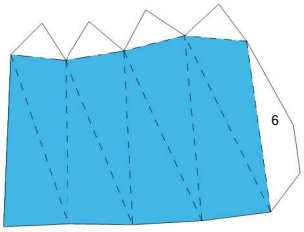
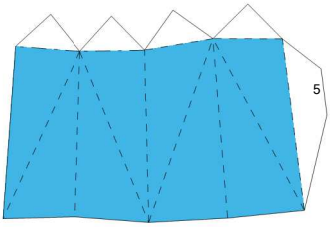
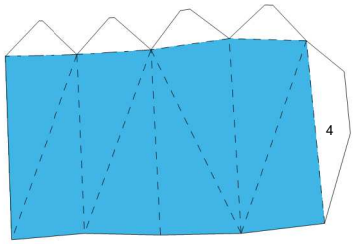
Start the model at the ponytail.
Glue it to the set composed of pieces 9 and 10 AFTER gluing the second segment of piece 10.

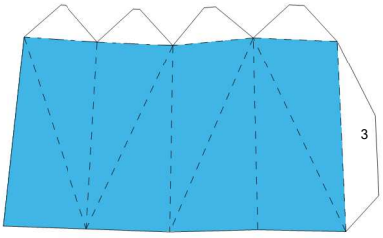


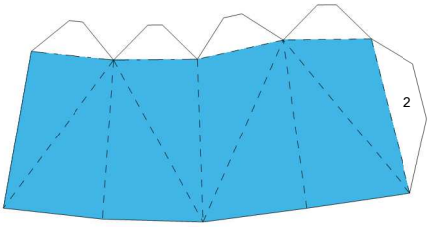


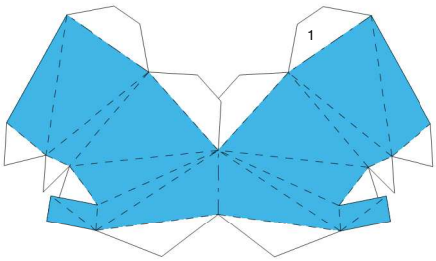


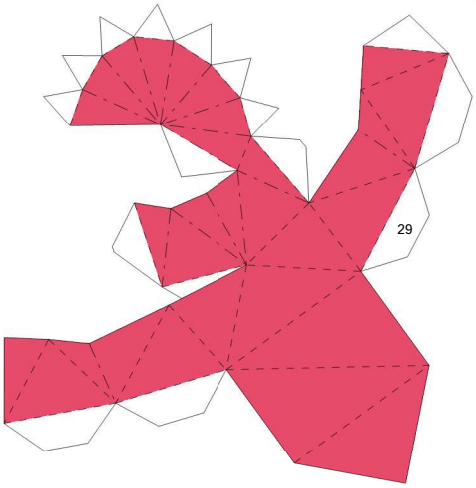




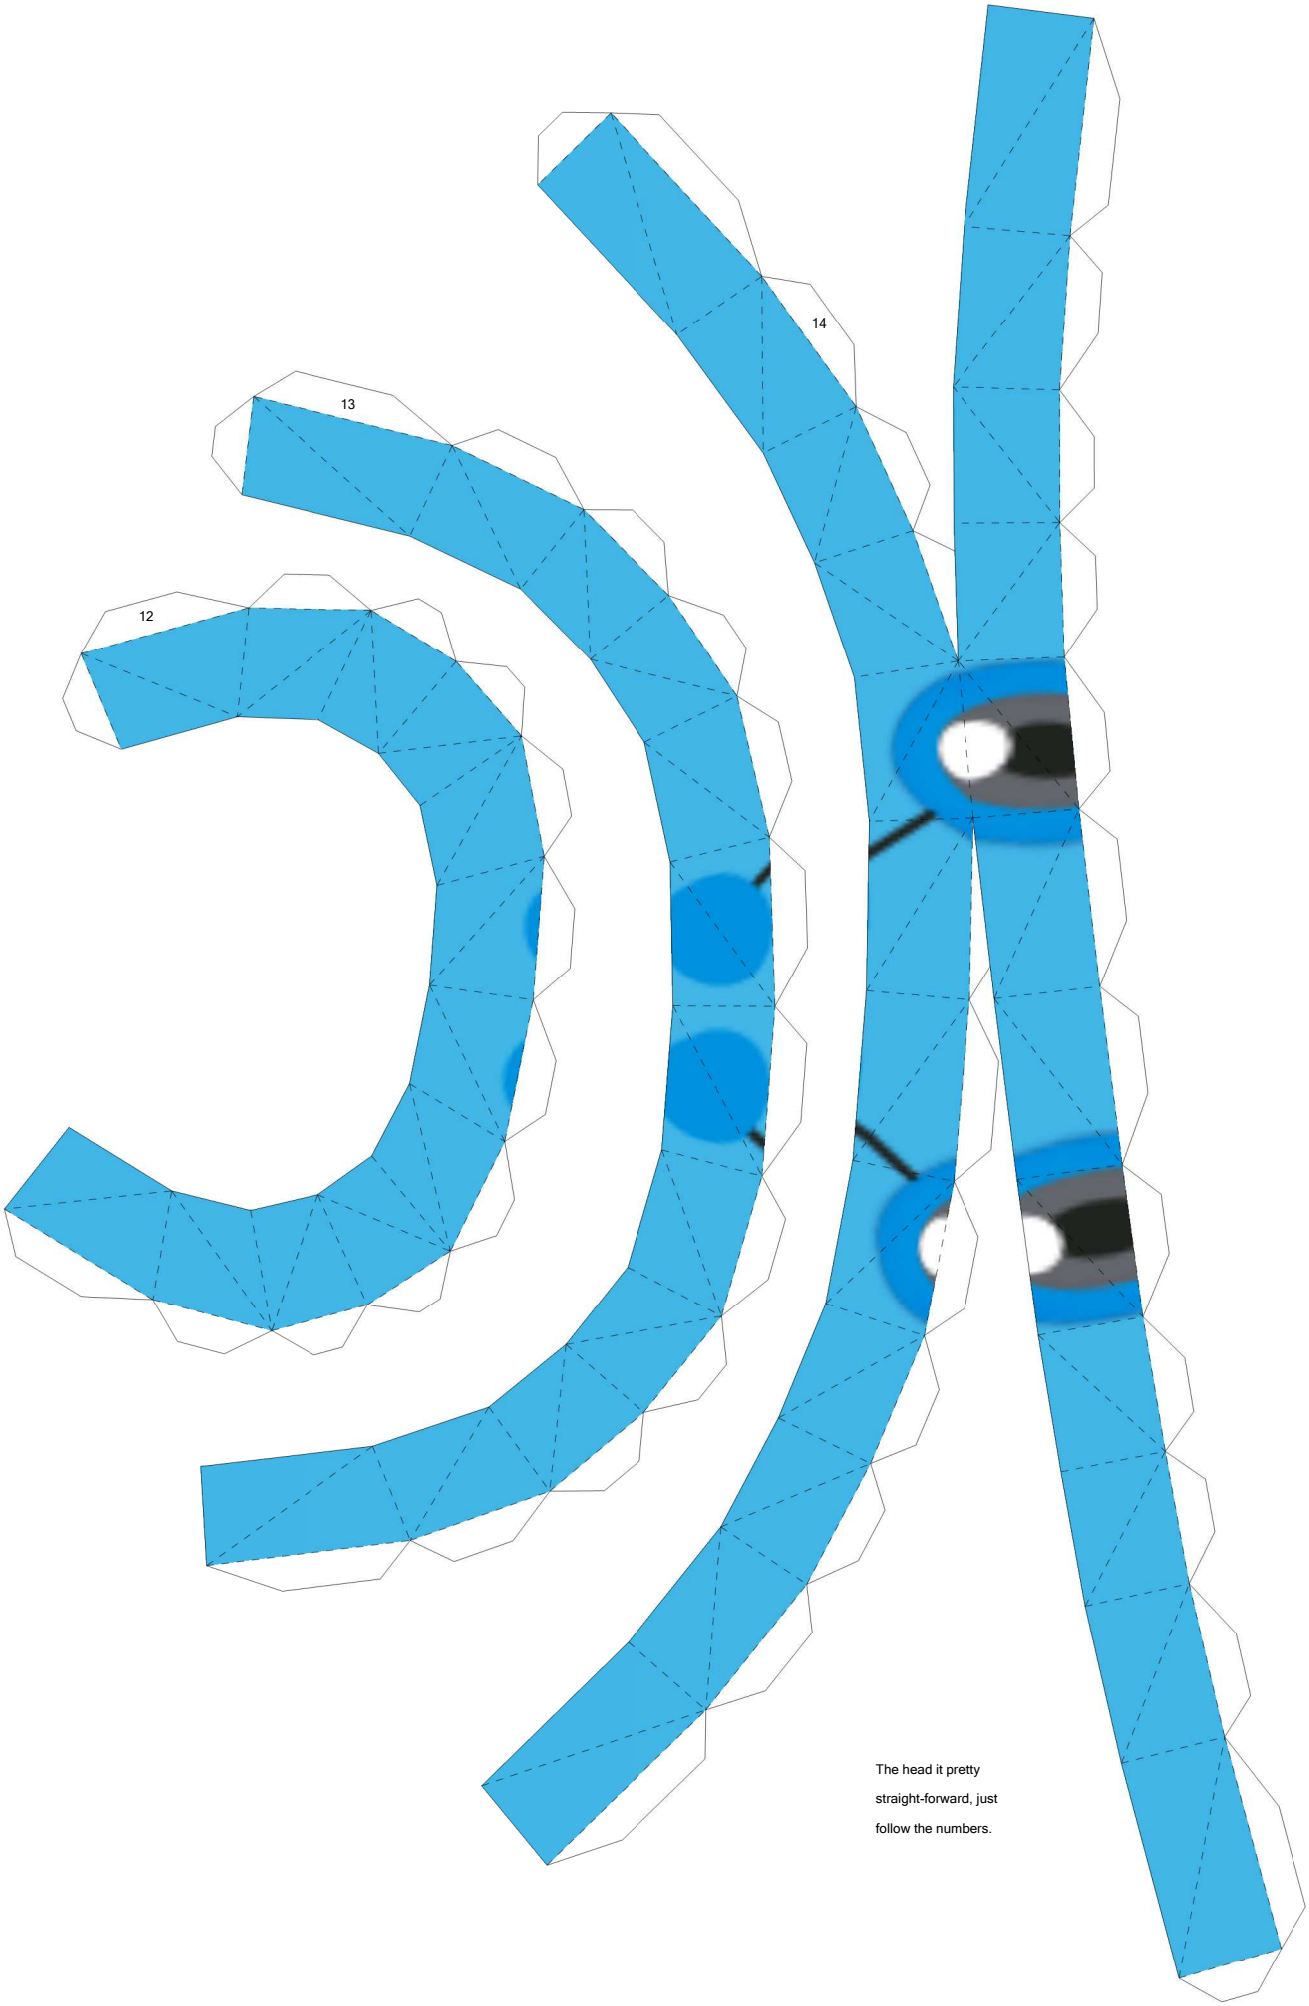




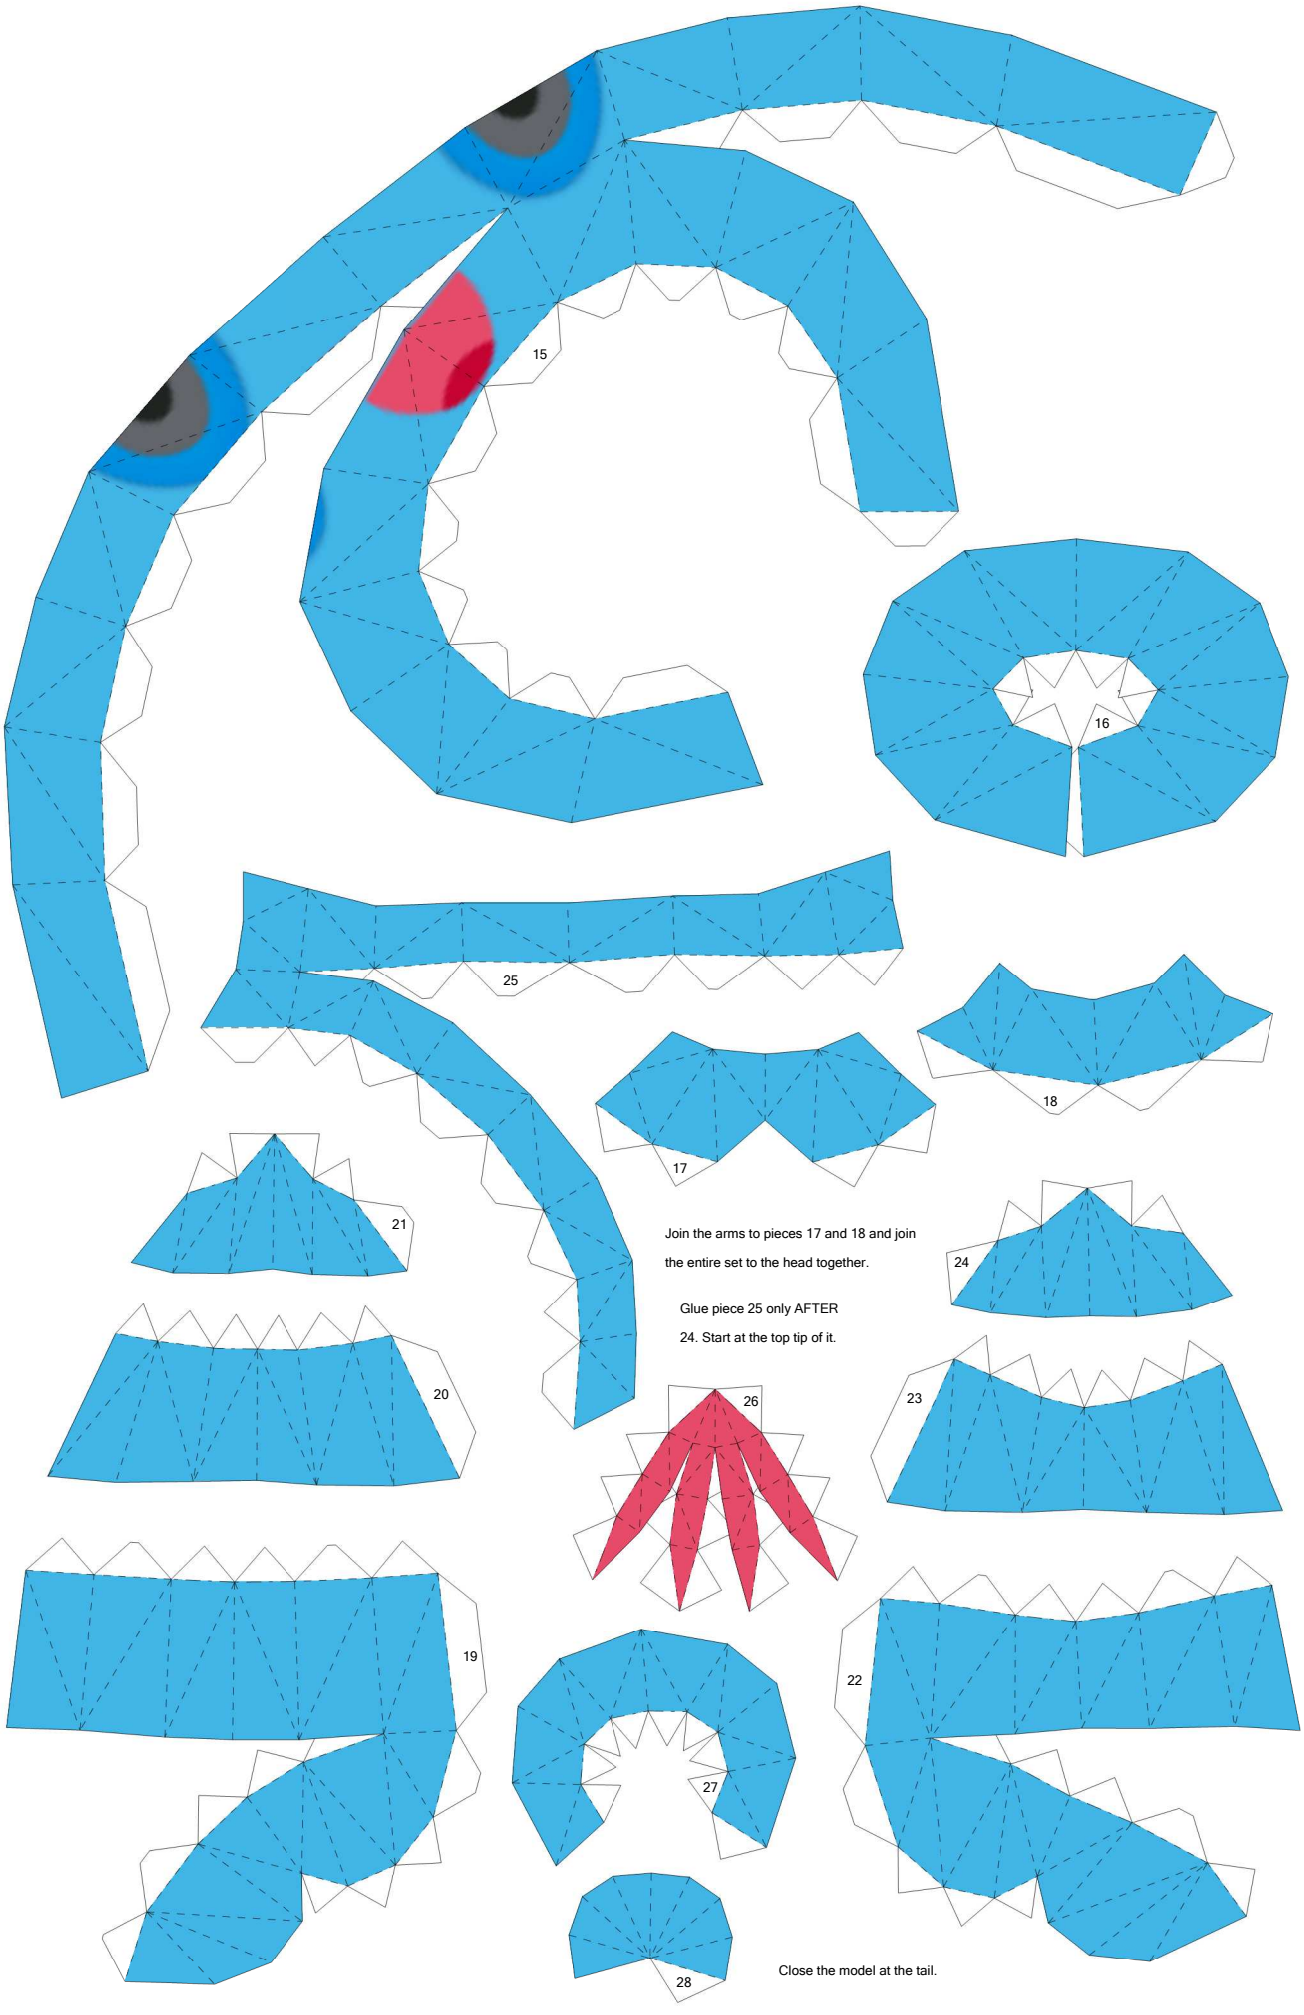




Close the base at the bottom.



12
13
14
The head it pretty
straight-forward, just
follow the numbers.



15
16
25
18
17
21
Join the arms to pieces 17 and 18 and join
the entire set to the head together.
Glue piece 25 only AFTER
24. Start at the top tip of it.
