Tipos de linha Lines

Como dobrar How to Fold

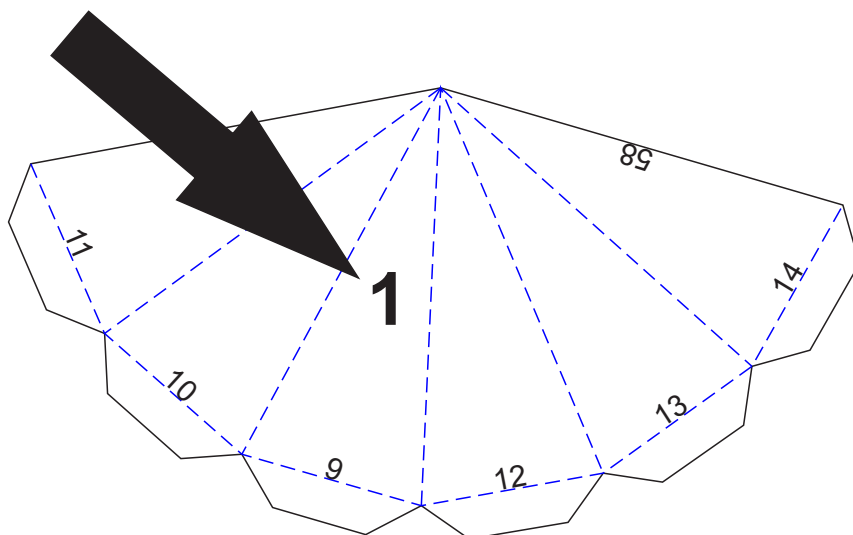

IMPORTANTE: Para fazer as dobras, imagine que as linhas estão por trás das folhas ou, simplesmente, dobre a linha vale como se fosse montanha e vice-versa.

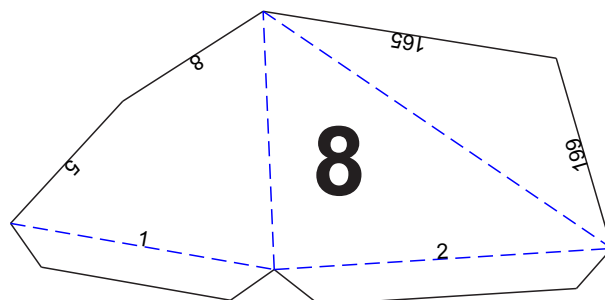

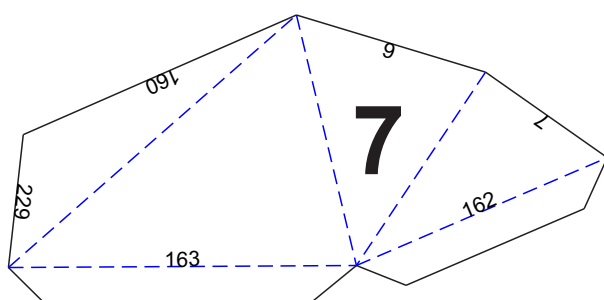

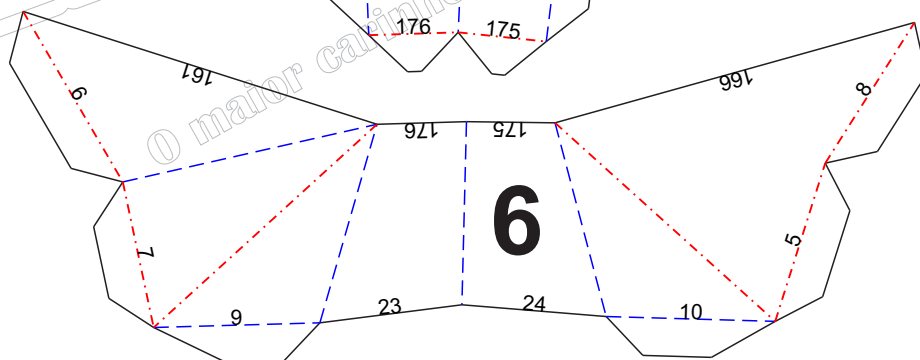

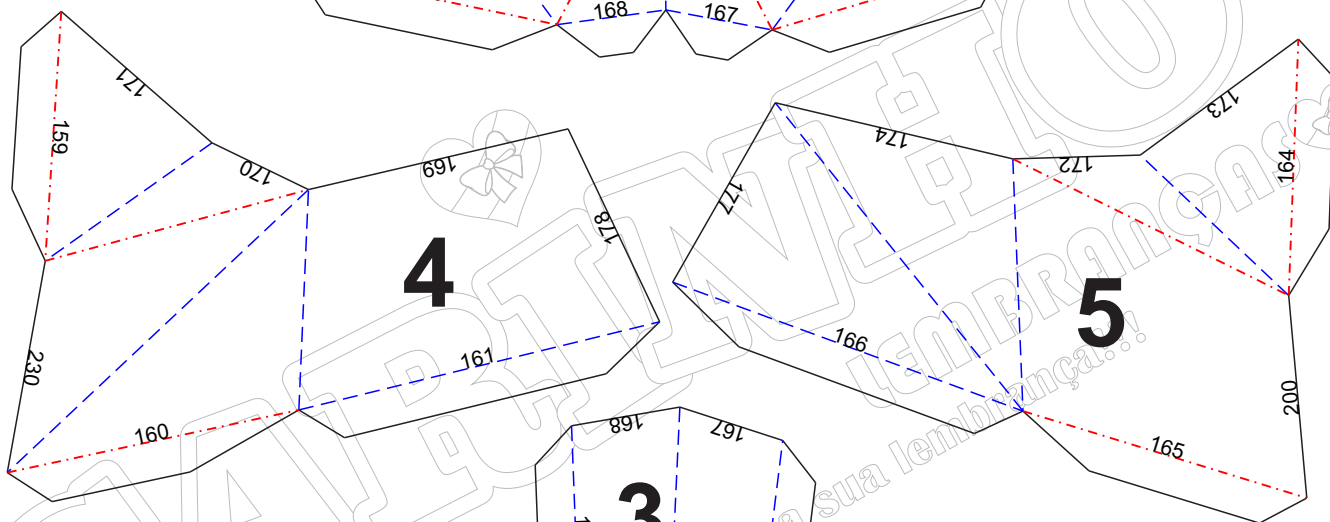

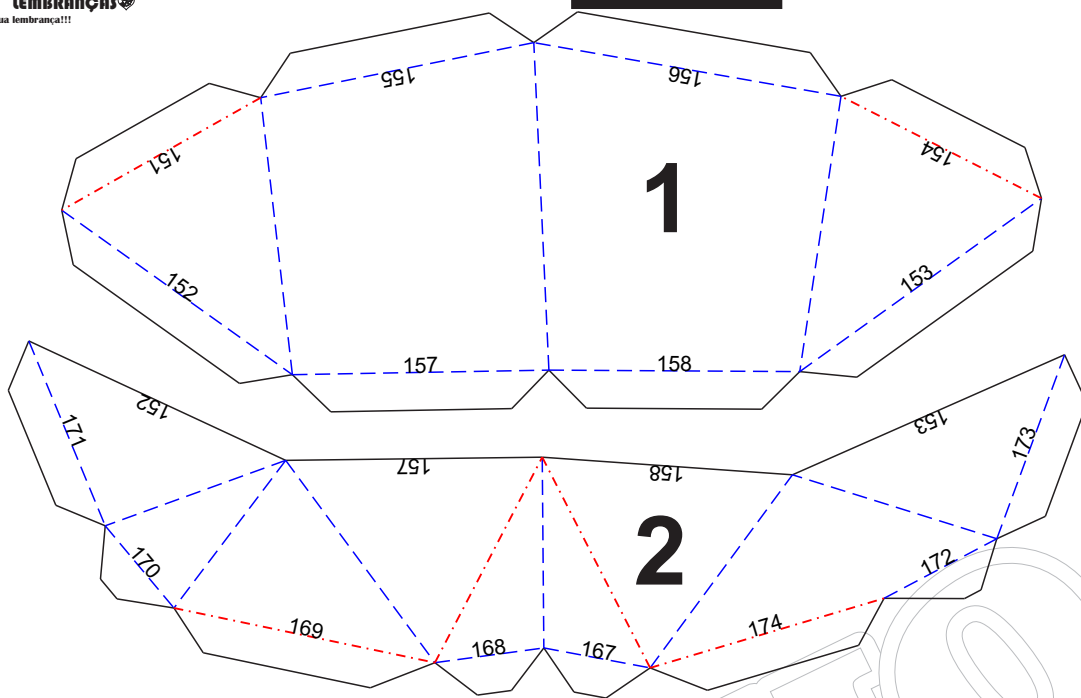

A impressão também deve ser feita no verso da folha.

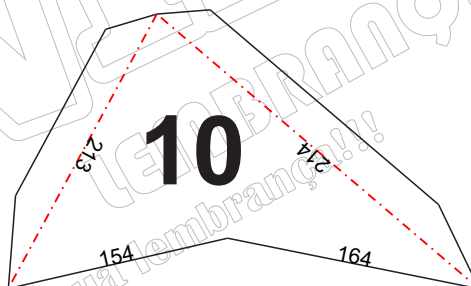

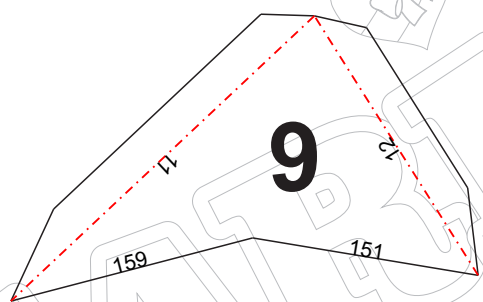

NOTE: To make the folds, imagine that the lines are back of the papers or simply fold the valley line as mountain line and vice-versa.
You can also print the lines on the back the project paper.

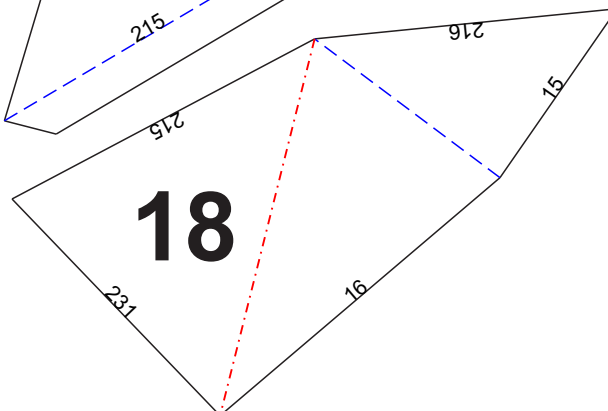

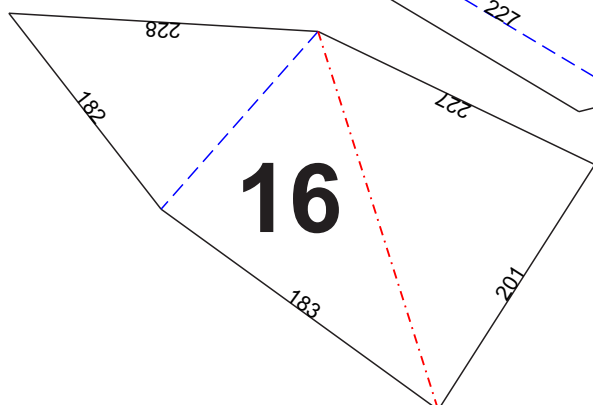

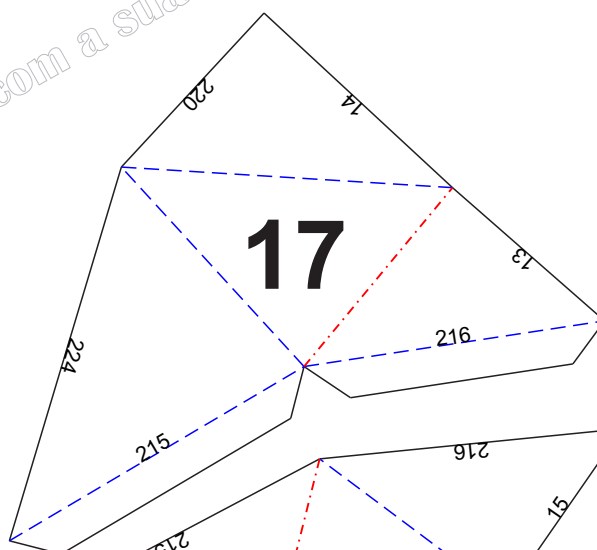

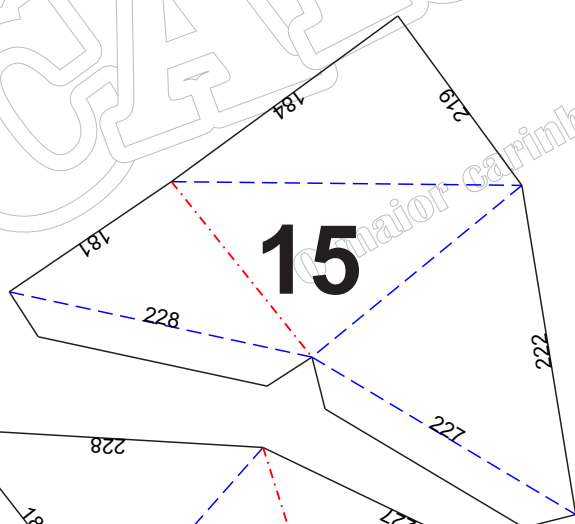

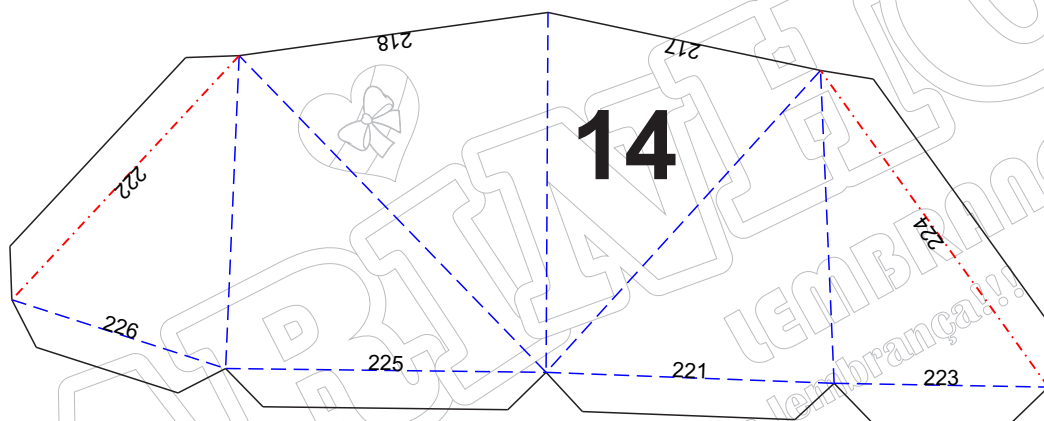

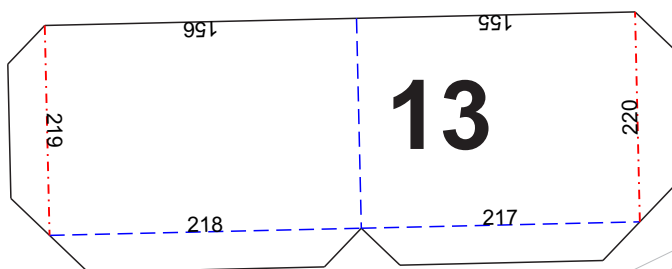

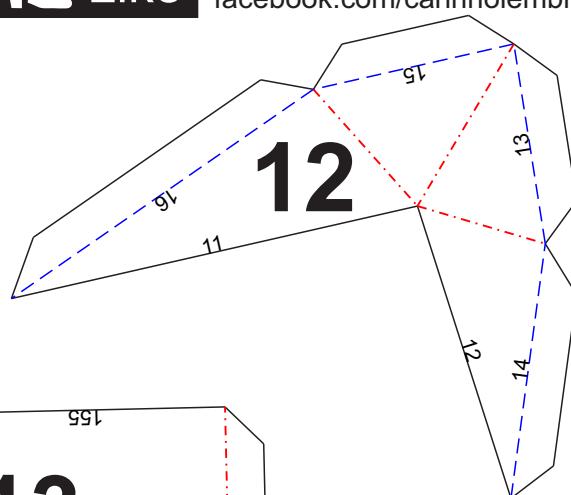

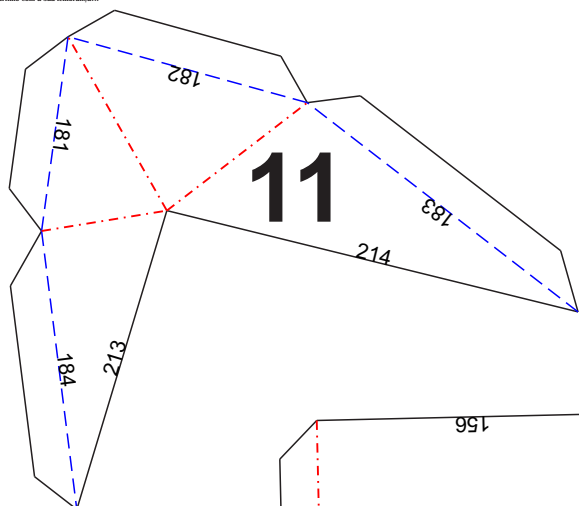

SUGESTÃO: Siga a ordem de montagem indicada pelos números maiores.

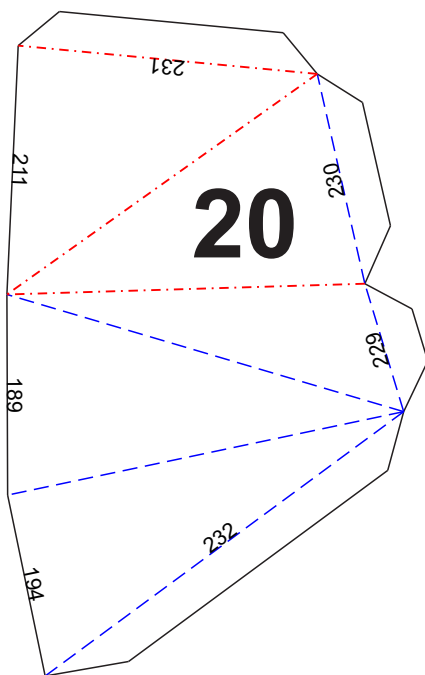

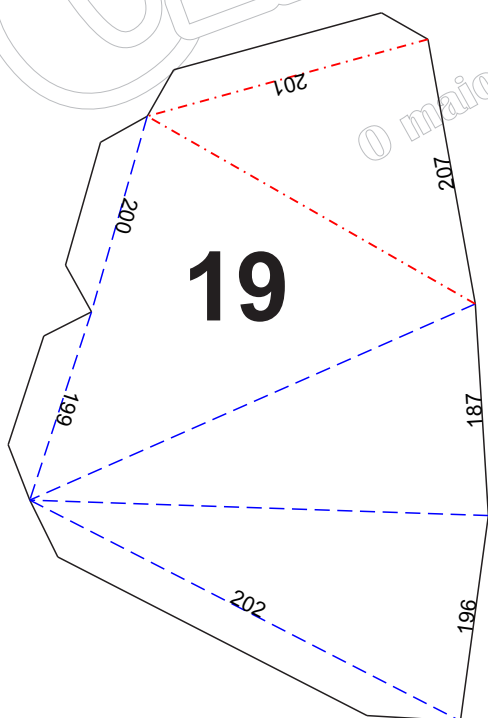

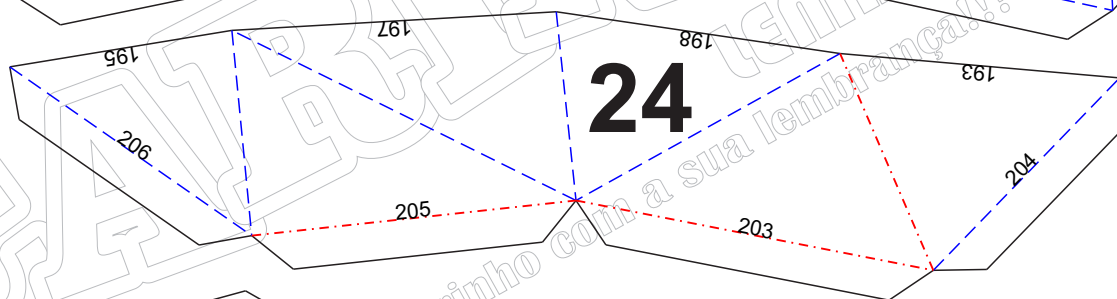

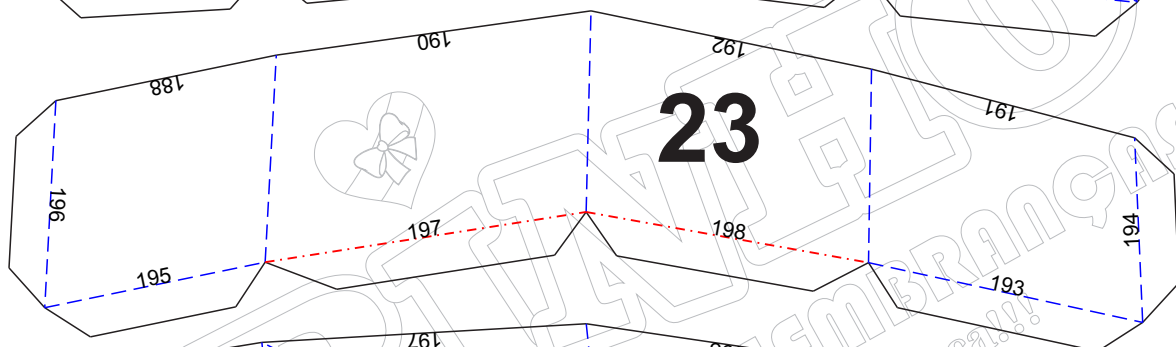

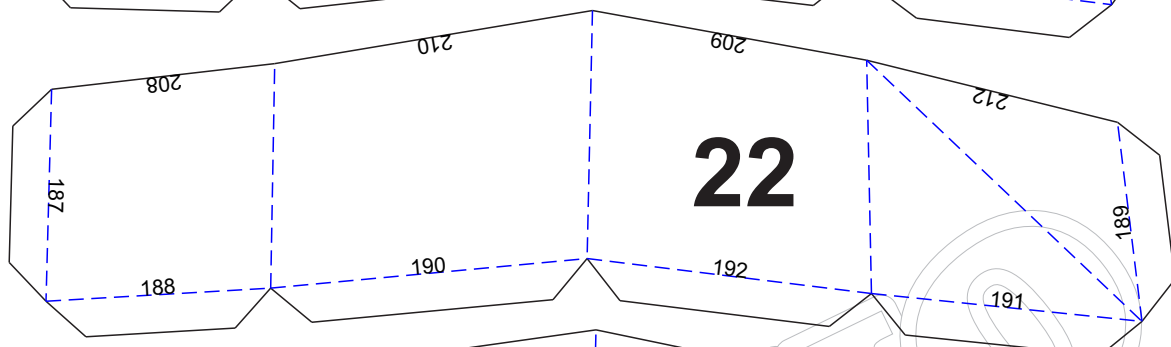

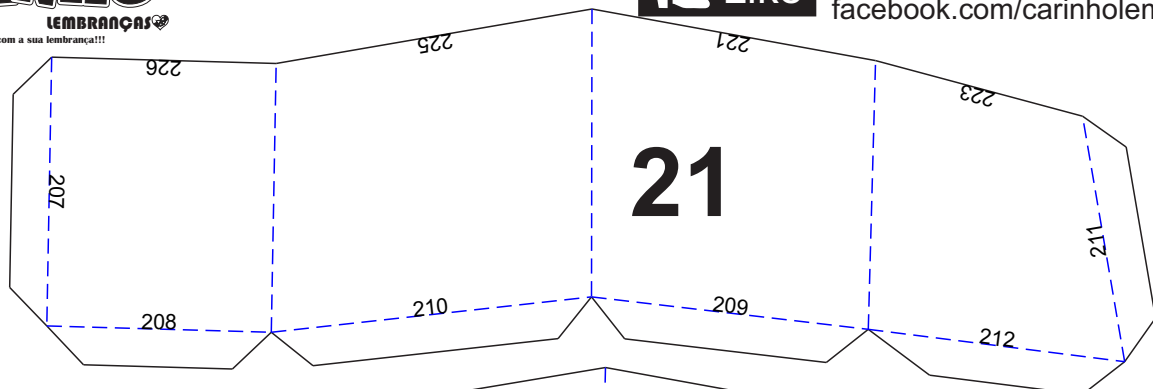

SUGGESTION: Follow the assembly order indicated by the large numbers.
