- 1) Print out paper toy parts on card stock or photo paper.
- 2) Cut out **Snowboard**, fold in half, and glue or tape together.
- 3) Cut out both **Right and Left Legs**, fold in half, and glue or tape together.
- 4) Fold **Right and Left Legs** on fold lines at the ankles and knees to form accordion folded legs for spring like action.
- 5) Cut out **Left Hand Base** and **Left Arm Stand**.
- 6) Fold **Left Arm Stand** on all fold lines, glue or tape **Tab E** to create a rectangular like box.
- 7) Glue or tape **Left Arm Stand (Tabs G)** to **Left Hand Base (Circle G)**.
- 8) Cut out **Right Arm**, fold in half, and tape or glue together.
- 9) Cut out **Inside Mouth**.
- 10) Cut out **Yeti's Body**.
- 11) Cut out the **MOUTH** on **Yeti's Body** to create the opening of the Yeti's mouth.
- 12) Cut **Arm Slots F** and **H**.
- 13) Fold on all fold lines of **Yeti's Body** forming a rectangular like box. Be sure to fold **Tab C** up.
- 14) Fold **Inside Mouth** inward on all fold lines to form a box. Fold top and bottom **Tab D** back, tape or glue them to the inside of the **Yeti's Body** wall centering it behind mouth opening.
- 15) Glue **Tabs M and N** to the inside of the **Yeti's Body**.
- 16) Tape or glue **Tab C** to the back of Yeti's head.
- 17) Insert **Left Arm Stand Tabs F** into **Arm Slots F**.
- 18) Insert **Right Arm Tabs H** into small **Arm Slot H**.
- 19) Glue or tape **Right and Left Legs** to the bottom of the **Yeti's Body** matching **Tabs J** to **J** Circles.
- 20) Glue or tape both feet **Circles K** to **Circles L** on the **Snowboard**.
