FREE Hero of Twilight papercraft model

Hero of Twilight

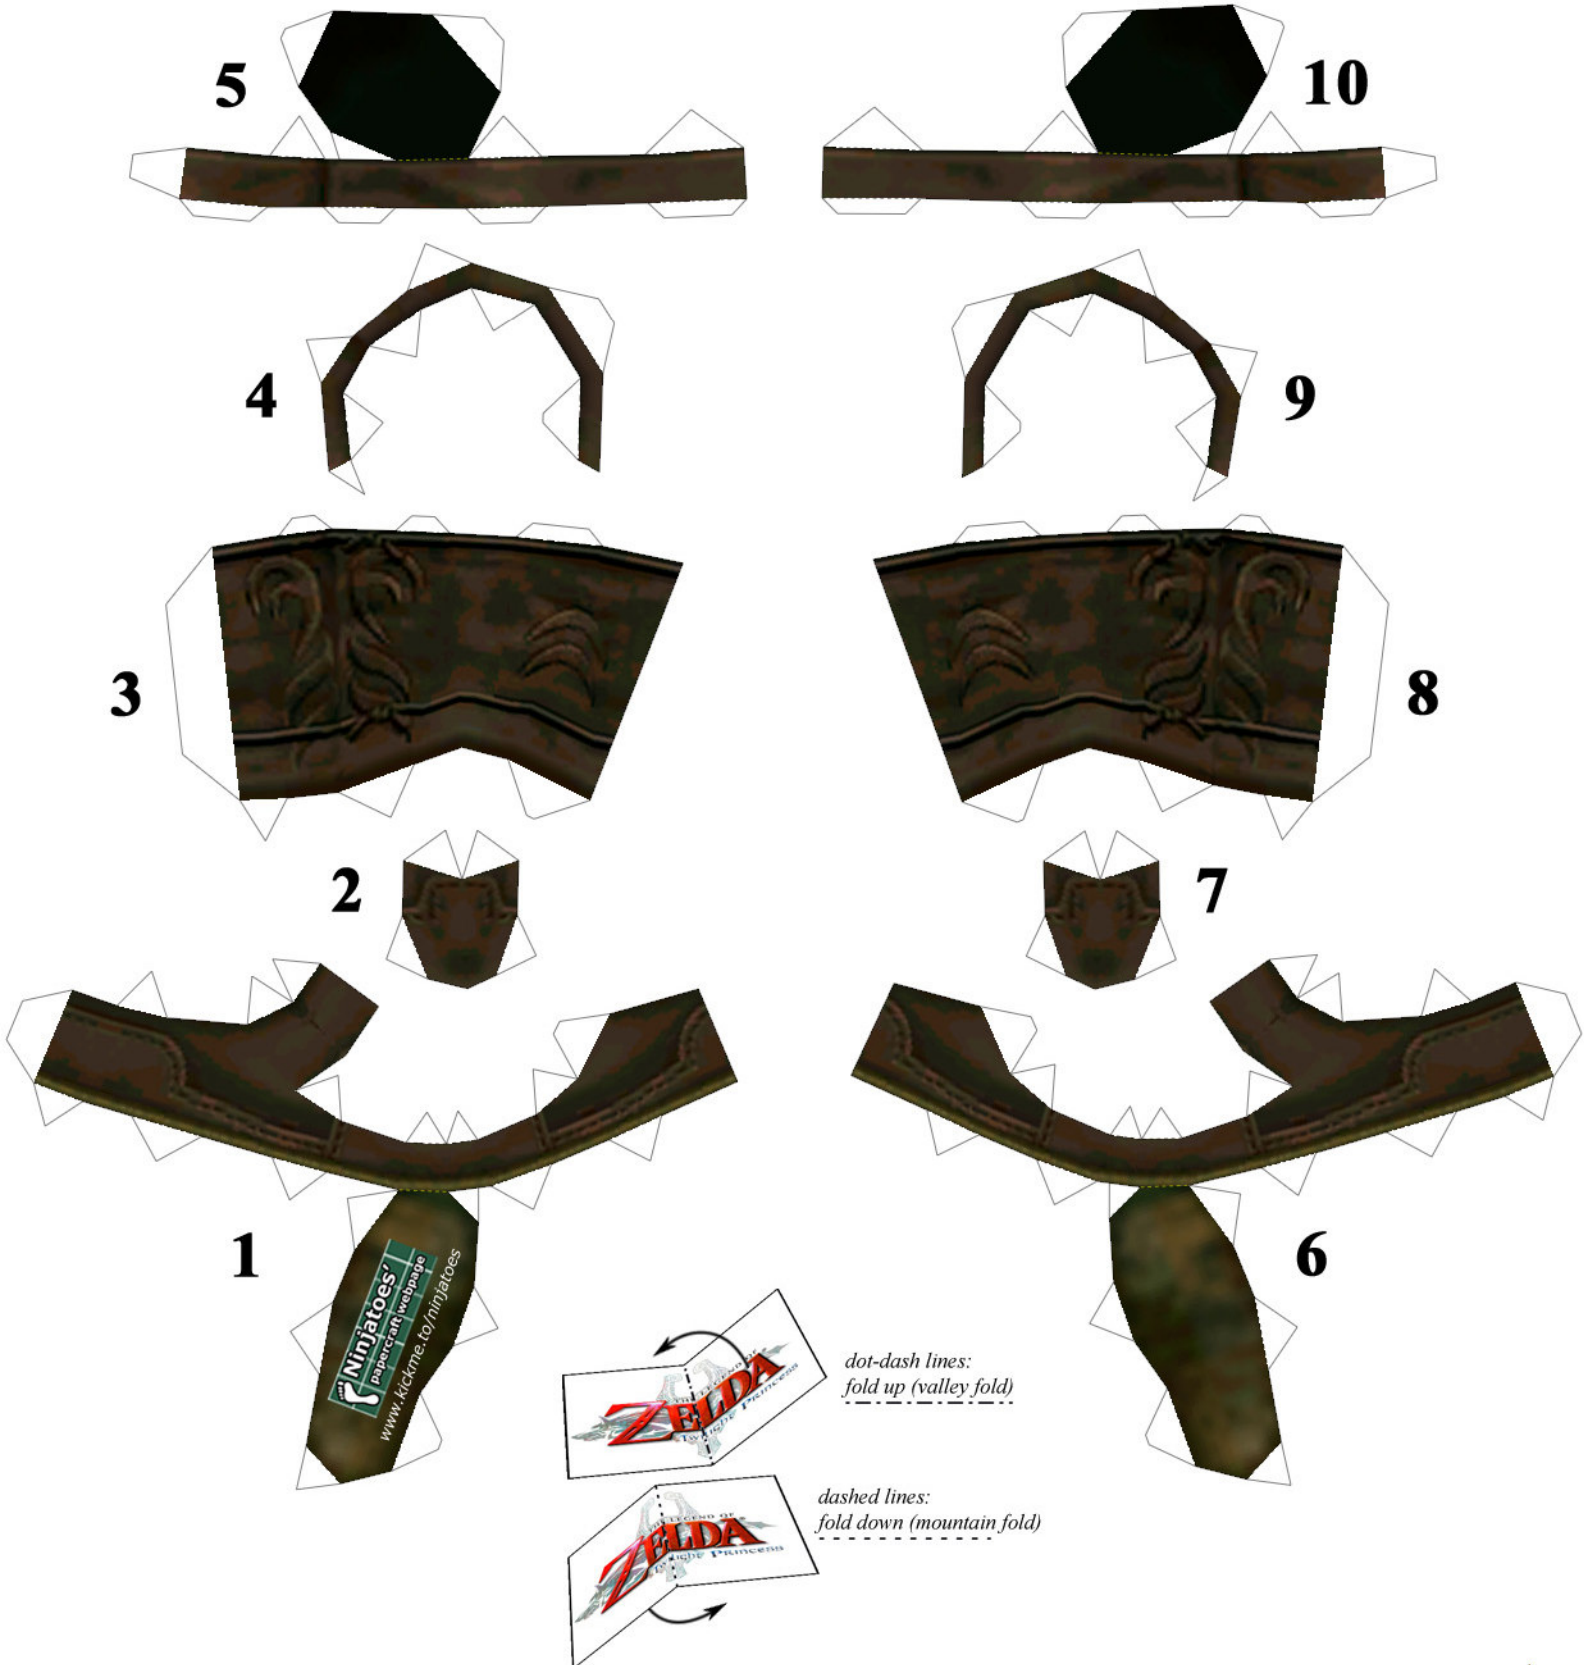

In *Twilight Princess*, the *Master Sword* comes with its own wardrobe;

After Link has been transformed into a wolf, he and his companion Midna manage to find princess Zelda, who tells them they need to find the *Master Sword* to lift the curse that has been put on Link.

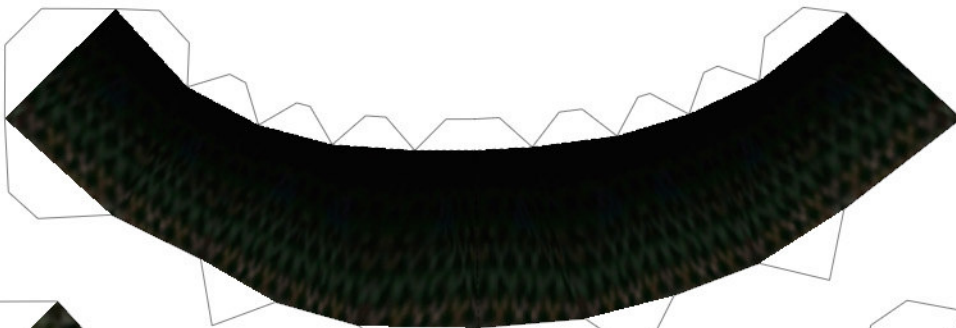

After a long quest, they find the *Master Sword* deep inside the Lost Woods, at the ruins of what once was the Temple of Time where it has been waiting all those years for a new hero to find it...

When wolf Link approaches the pedestal in which the legendary sword rests, Link is chosen as the new master of its powers and transformed into his normal form again, donning the green colors of a true Hero of Hyrule...!
